Obsessed with color? Book a room at the rainbow bright [Saguaro Palm Springs](#) (above) for its February opening. If Arizona is your destination, take a look at the [equally colorful sister property](#) in Scottsdale. (Via [Knstrct](#))

Floral and event design company Amy Osaba just launched a [spiffy new website](#). We could get lost in the online galleries of gorgeous wedding flowers for hours.

What a great idea! [Pears stamped with baking glitter](#) can be arranged into gorgeous centerpieces, or put on guests plates as a fresh favor. (Via [A Subtle Revelry](#))

Slip this [sea salt soap](#) into a welcome bag or use it as a favor. We love its cute nautical packaging and authentic Swedish recipe. (Via [For Me, For You](#))

Check out this amazing wall treatment by Los Angeles-based installation artist [Megan Geckler](#). A similar idea would look so modern at a summer reception. Neon not your thing? Use the colors in your palette. (Via [Black Eiffel](#))
