

HAPPY mundane

there's beauty in your dish soap

rainbow plaid by Megan Geckler

Wow- it's a happy multicolor stripe-y wonderland! bright and cheery installation that's part of the California Design Biennial 2010 at the [Pasadena Museum of California Art](#). Created by [Megan Geckler](#), it's made up of flagging tape that is commonly found at construction sites.

Fast Co. has more shots and info. Gorgeous! How great would this be for inspiration for a summer party or even a wedding reception!
